

From US 35:

Take the James H. McGee Boulevard Exit, turn North from ramp onto James H. McGee.

Travel 2.2 miles. You will pass through several lights, Third Street, Dakota and Rosedale. After you pass the light at Bridge Street, you'll pass a church, and three groups of apartments.

Just around the bend from the apartments you will see Adventure Central. It is a large barn-red brick building attached to a single story wing with a parking lot and large tan sign with green letters in front. That's the place!
